

THE ABEONA RELEASE

I release my child, _____, into the care of the loving staff of the Abeona House Child Discovery Center while I am away.

I am fully aware that my child will participate in the following:

- ◆ Making mud pies
- ◆ Dancing wildly
- ◆ Looking for and playing with bugs
- ◆ Celebrating birthdays through joyful song
- ◆ Laughing hysterically
- ◆ Thinking deeply
- ◆ Getting wet
- ◆ Making friends
- ◆ Playing with glue, paint, clay, plaster, and wood
- ◆ Building with sticks, toothpicks, shoeboxes
- ◆ Getting new hairdos (sans scissors)
- ◆ Stretching...mind, body, and ever-beautiful spirit

In essence, participating whole-heartedly in
CHILDHOOD.

I have read the Abeona House policies and procedures outlined in the general information guide and fully comply with them. I understand that these policies can be changed at any time, and that when these changes are agreed upon by the board, I will be made aware of these in writing.
